*Thank you for visiting Conway Family Farms! We are pleased to have you here. During your visit, we ask that you read and follow our Safety Guidelines:*

1. All children must be accompanied by an adult. Children are especially curious about all of the experiences and things to see on a farm so we request that you be especially mindful of your children's whereabouts and behaviors for their safety.
2. Please use common sense and good judgment when exploring the grounds. Keep out of marked off areas for your safety.
3. These are not u-pick opportunities, so please leave the plants and flowers intact for others to enjoy, unless previous arrangements have been made.
4. No smoking, please!
5. We have worked hard to create an enjoyable atmosphere for all to take pleasure in throughout this event. We ask that you be respectful of our gardens, plants, and animals.
6. Please wear sturdy closed-toe shoes and for the safety and bio-security of our farm, **do not** wear footwear that has been worn to other farms or overseas.
7. Please be prepared if allergic to bees as we have honeybees on the property.
8. All fences are electric, so we ask that you avoid touching them.
9. The unfortunate acts of a few have made it necessary for us to reserve the right to dismiss any guest failing to adhere to our requests and rules.

*\*Enjoy your Farm Tour Experience!\**
